Johnny Long Will Play Here

Long's Band Will Play For Annual Homecoming Night

Arrangements have been made to feature Johnny Long and his orchestra at the annual Homecoming Dance, which will be held Saturday night, October 24, according to Dr. John Harr, chairman of the Homecoming Committee.

Few of the name bands today can claim the popularity in colleges that has been accorded Johnny's orchestra. He is rated among the top three collegiate orchestras and has appeared at every major theater and location in the nation.

During the war, the maestro entertained at as many camps, bases, and hospitals as his busy schedule would permit. Highlight, he says, was when he was asked to play the President's Birthday Ball in Washington, D. C., in 1941.

Mr. Long aims his music right at the college-age crowd and is careful to see that all arrangements strike the proper balance for top dance music. Known in the trade as "Young America's Favorite," Johnny has one of the most impressive and well-earned records ever compiled.

Featured with the orchestra are Barbara Hammond, Dick Perry, the Long Shots, and the Glee Club.

Danforth Award Goes To Carolyn Criswell

Carolyn Criswell was awarded a Danforth Scholarship for the American Youth Foundation Leadership Training Camp this past summer.

This scholarship is awarded to sixty outstanding young people in the United States for a two weeks' stay at the camp in Shelby, Michigan, with all expenses paid.

THEY ARE DISAPPOINTED

The students of Horace Mann are a bit disappointed because their buses have been painted yellow rather than green and white, the Bearcat colors. The explanation for this act is that the state regulations for public transportation require that all high school buses be yellow.

Maryville Ministers Attend First Assembly

The opening assembly of the 1953-54 collegiate year was held in the college auditorium. Stan Ogden, student body president, called for order and welcomed all students to State College.

Following the initial speech, President J. W. Jones spoke, extending his own warm welcome and wishes for a happy and successful school year. Dr. Jones emphasized the importance of attending college and reminded everyone of the innumerable opportunities which the student may find before him here.

At the conclusion of President Jones's speech, Mr. Donald Sandford of the music faculty played a viola solo, accompanied by Mrs. Sandford at the piano.

Stan then introduced Reverend Charles Jennings, pastor of the Nazarene Church and president of the Maryville Ministerial Alliance. Reverend Jennings extended a warm welcome to the students in behalf of his church and introduced the other Maryville pastors.

Following those introductions the Reverend Virgil Vaughn of the First Baptist Church concluded the assembly with a brief speech which stressed the importance of combining religion and college.

Residence Hall Is Under New Director

Residence Hall is under the direction of Mrs. Elizabeth Luer, who comes to us from Lake Forest College in Lake Forest, Illinois. While in Illinois, Mrs. Luer was employed as Director of Dormitories. She is assisted by two night chaperones, Louise Novinger and Carolyn Criswell, Miss Novinger and Miss Criswell are students here.

Also, house directors have been placed in several of the quads this year. Mrs. Lawler is in Quad One, Mrs. Burkes in Quad Two, Mrs. Sherman in Quad Four, and Mrs. Damewood in Quad Six. Mr. Lon Wilson is in Quad Three.

Foster Says—

7 Per Cent Increase

Robert Foster, College registrar, has reported an increase of enrollment at Northwest Missouri State College of almost seven per cent this year over the 1952 fall registration.

Some 727 students are registered in regular classes despite the fact that the senior class is one of the smallest recorded here. Evening and Saturday instruction has brought an additional 99 students. Freshman and sophomore classes are believed to have two of the largest classes on record, if not the largest, for the 1953-54 school year.

Upper classes have been cut down by students dropping out to report for military service.

Fulsom Casts First Annual Production Of Collegiate Year

Under the direction of Dr. Ralph Fulsom, the first college play of the season, "The Tavern," will be presented November 18-19 in the College auditorium.

Final casting took place September 28. Ten men and three women were chosen by Dr. Fulsom to perform in this two act comedy mystery.

Members of the cast are as follows: Tavern Keeper's son Zach, Elbert Blair; hired girl, Sally, Colleen Biggs; tavern keeper, Freeman, Reid Anderson; the hired man, William, John Thompson; the vagabond, Bob Wilson; the woman, Violet, Rosa Lea Elvins; the governor Lamson, Dick De Witt.

Governor's wife, Mrs. Lamson Mrs. Leona Hall; the governor's daughter, Virginia, Carole Trotter; the fiancé, Tom Allen, Charles Hagg; the sheriff, Clyde Hulet, Ezra, Joshua, Tony, and Stevens, the sheriff's men, are walk-on parts and will be chosen at a later date.

Student Senate Sets New Rule For Nominating and Electing Queen of Annual Homecoming!

Plans for the annual Homecoming celebration at the College, October 23-24, as well as those for Walkout Day, were the concern of the Student Senate at the regular meeting last week. New arrangements have been made for electing a Homecoming Queen. Any organization nominating a candidate must furnish an 8x10, black and white picture of that candidate, accompanied by the candidate's name, campaign manager, and sponsoring organization to Miss Rachael Taul no later than October 12.

Taul and Whitford Attend Park Meeting

Miss Rachael Taul, director of student activities, and Mr. Fred Whitford, secretary of the Student Christian Association, attended a planning committee meeting at Park College on Saturday, October 3. Miss Taul and Mr. Whitford were members of the committee that formulated plans for a district YWCA-YMCA conference to be held the last week-end in October.

"Living by looking" the theme for the coming conference, will be a discussion of problems on human relationship in the work of SCA's on college campuses.

College Broadcasts On KNIM Twice Each Week

College radio programs are broadcast each Tuesday and Thursday at 2:15 over station KNIM.

Out of town football games are rebroadcast the next day over KNIM. Bob Wilson, a sophomore, is in charge of the broadcasting of these games.

Attend Library Meeting

Two librarians from the College attended the annual Missouri Library Association meeting at Kansas City, October 1, 2, 3. Attending were Miss Wilma Wade, library science instructor at Horace Mann High School and an officer of the Northwest Missouri Library District, and Miss Lucille Brumbaugh assistant librarian.

All of these pictures will be displayed from October 12-16, but other than this display there will be no campaigning throughout that week. On October 16, the students will vote to select the five candidates for queen, and from October 19-22, these five girls may actively campaign for the honor of becoming Homecoming Queen. The final election is scheduled to take place on October 22.

Campaign expenses have been limited to a maximum of \$25, and freshman girls are not eligible as candidates for queen.

The possibility of discontinuing the national Who's Who affiliation was also discussed. In its place, a local Who's Who might be promoted. Arrangements were also made to reserve the middle section of the football stadium for students. In regard to the contributions of the College to the World Student Service Fund, there was some debate. That organization now goes under the name of World University Service.

Officers of the student governing organization are Stan Ogden, president; Cyril Dougherty, vice-president; George Kling, secretary; and Frank Bayless, treasurer.

Other members are Melva Heits, Roberta Kordes, Ann McNeill, Rick Tilton, Roy Nethken, John Lindell, and Jack Spence.

Miss Rachael Taul and Dr. Sterling Surrey are faculty sponsors of the group.

Dr. Frank Grube Will Attend Meeting at MU

Dr. Frank Grube, chairman of the English department, will be attending a meeting for the Improvement of Speaking and Writing at the University of Missouri, October, 9-10.

Dr. Grube will be the chairman of the Student Writing discussion group. This meeting is part of the Program for the Improvement of Teaching in Colleges and Universities.

Miss Chloe Millikan Will Conduct Workshop

Miss Chloe E. Millikan, of the education department, is scheduled to conduct A.A.U.W. workshops at three northwest Missouri towns.

Dates for the workshops are as follows: October 3, at Hannibal; October 10, at Liberty; and October 17, at Fayette.

You Are Invited

"Out of the Night," a thirty-minute sound and natural color motion picture, will be featured at the next meeting of the Student Christian Association on Wednesday, October 7. Showing of the film will begin promptly at 6:15 p.m. in the main lounge of the Student Union.

This film is an authentic documentary, filmed on Chicago's notorious Skid Row. It is a shockingly realistic picture of life as it is lived by those captivated by alcoholism, and the film graphically portrays the power of Christianity in the life of the alcoholic. All students are invited to attend the showing of this film.

WALKED OUT! Story Next Week

Morning Can Bring Disaster

The morning after the night before can prove to be rather disastrous, especially when that particular morning brings forth a pop quiz and the night before has consisted of several hands of bridge at the Bearcat Den or the latest movie followed by a pop corn party.

Consequently, a great deal of time and effort has been used to consolidate the extra-curricular activities into two nights in order that Monday and Thursday nights may be left entirely free for studying. This plan is a new one and, with co-operation from the student body, it can be a success.

College is, after all, an institution for learning and one supposedly seeks knowledge or he would never have bothered to enroll in this or any other college.

Teachers can urge one to study, the administration can insure ample time for studying, but no one can actually force a student to sit down with a book, read it, and digest what it says.

Negligence where assignments are concerned can produce only the inevitable appearance of those dreaded pink slips at mid term and a heart-breaking "U" at the grand finale.

Each hour spent studying may seem like a great waste now, but someday those hours will bring much happiness and satisfaction.

Employing a little individual initiative is the only possible way to avoid the unhappiness caused by failing grades.

Let Us Use Time and Talents

With the coming of each fall at any college, the entire student body, faculty, administration, and alumni are drawn to a high pitch of emotion as Homecoming activities near. And Northwest Missouri State College is no exception.

Homecoming, its preparation and occurrence, is a time of binding together past and present friendships. For those of us still studying as undergraduates, may this spirit toward each other continue through the 1953-54 school year and many years into the future.

It is plain to see what vast experiences our alumni have enjoyed in their days at our College and the pleasant memories that they may recall as they return each fall for the Homecoming activities. Let us use our time and talents while we are here so that we, too, may return with the same satisfaction that so many alumni feel at Homecoming celebrations.

This college provides an environment favorable to the progress of the student in the following directions:

1. Toward personal growth and development.
2. Toward person-to-person adjustments of the individual student in local group relationships.
3. Toward helpful participation in group projects whose boundaries include broader social concepts and relationships.
4. Toward success in teaching or as far as possible in some other vocation suitable to the individual.

I am sure that it is the wish of every one on the Maryville campus that Northwest Missouri State College is successful in every activity, whether it be in studies, athletics, or social activities. Let us keep this wish upmost in our minds so that it becomes a guide in our habits of action.—Stan Ogden, president of Student Council.

Note From Bolivia

Mr. and Mrs. Chester Parks send word of the birth of a son, David Alan, on September 4, in La Paz, Bolivia.

Mr. Parks graduated from the College in 1945 with a B. S. in Education. He majored in industrial arts and is now supervising, under the United States government, the setting up of industrial arts shops throughout Bolivia.

College Holds Vesper Service in Auditorium

Dr. H. G. Dildine of Northwest Missouri State College gave the address at the first vesper service.

Caroline Criswell, student, sang a soprano solo. Pat Baker and Herbert Anderson, students, gave brief talks concerning religion on our campus.

Dr. J. A. Dreps, foreign language department, gave the invocation and benediction. Mr. Kenneth E. Bird, music department, was organist.

Grade Students Are Holding U. N. Assembly

Sixth grade students of the Horace Mann laboratory school are becoming acquainted with world neighbors through a United Nations Assembly, which is now in session on this campus.

This study is under the direction of Mrs. Avis L. Graham, sixth grade supervisor, and student teachers, Wanda Kingsolver and Helen Adams.

It's a Father!

"It's a father!" "I'm a girl!" Carol Janette Miller, 7 lbs., 12:30 a.m.

Mary Belle and baby are getting along fine — father — "doubtful."

This announcement appeared on the faculty bulletin board on September 23. Dr. Leon Miller, the proud father, is chairman of the education department.

THE STROLLER

Seems that even Mr. Edgar A. Smith is unaware of the fact that he is teaching a course in physiology.

Mr. J. G. Strong has been having grief with nitric acid. It produces rather tremendous results when mixed with copper. Would hydrochloric acid work any better?

There must be something magnetic about the vestibule of Residence Hall and Darrell Walker is very strongly attracted to it. So much so he is always the very last to "say" good night.

Don Corbin wears a crew cut and so Claire Johnson is trying desperately to run him a close second.

Bob Hull has decided to wear a straight jacket to the Independent meetings hereafter since every move he makes is misinterpreted as an offer to serve as chairman of a committee. Poor boy can't even scratch his head in peace.

French class certainly seems to be agreeing with Carter Botkin these days. Any time after 2 o'clock, Monday through Friday, his disposition is unusually sweet!

Is there some sort of similarity between an opossum and an American Indian? Either some little freshman gal seems seriously to think so or else Mr. W. T. Garrett's zoology class has her extremely confused.

Twenty-two girls were greeted by a receiving line which included Miss June Cozine, sponsor; Lois Kemper; Lucille Hunziger; and Jerry Idecker.

Refreshments of triangular cakes decorated with the Greek letters and punch were served. Lois Kemper presided at the punch bowl.

After the refreshments, the following program was given: song by Ann McNeill, Marca Dick, and Marilyn Gilliland; musical reading by Marym Croy.

President Lois Kemper then gave a talk and the evening closed with a candle-lighting ceremony and friendship circle.

Guests included Kathleen Tobin, Patty Boydston, Darlene Stamp, Phyllis Jones, Marcia Wilhoit, Barbara Lamar, Carolyn Curfman, Greta Garten, Susie Phipps, Shirley Wilson, Jean Ann Ward, Helen Colville, Sally Jackson, Sherry Grindstaff, Barbara Nixon, Mary Ann Funkhouser, Helen Derby, Norma Gladstone, Barbara Fox, Marilyn O'Connor, Ruth Tebow, and Barbara Kunzie.

Lawyer Speaks

Ralph Merriam, a noted lawyer of Chicago, was the speaker at assembly last week.

Mr. Merriam's hobby is talking to college students.

The Alumni

Miss Chloë Millikan, a member of the education department, received a letter from Mrs. Anna Parham, a former student of the college, stating that she planned to attend Homecoming this year.

Mrs. Parham has been teaching the third grade in Shelby, Iowa, for the past five years.

Bill Gamble and his wife Peg, were in Fort Collins, Colorado, this summer where Bill was working on his master's degree.

Bill is a former student of the college. He last attended school here in the summer of '49.

Peg and Bill have a "lovely little girl."

Helen Riedinger, who may be remembered as Helen Strong, and family are now living in Sibley, Iowa. Mr. Riedinger is in charge of the Federal Soil Conservation District of Osceola County, Iowa. Mrs. Riedinger was graduated from the college in 1946.

William Christensen, member of the class of 1950, is coach in the school at Sibley, Iowa. Mrs. Christensen, the former Miss Margaret Berry, is teaching physical education in Sibley, Iowa. She also was a member of the class of 1950.

William T. Garrett, Jr. alumnus, began training on October 5 with the Missouri State Highway Patrol. Training is taking place at the fairgrounds in Sedalia and will continue until November 25.

William graduated in 1950 with a B. S. degree in social science and history. He spent some time in the United States Navy.

Bill Sherman, son of Mrs. Faye Sherman who is employed as secretary to Dean W. A. Brandenburg, is now teaching in the Roseville, Michigan, school system. Bill received his degree with the class of '51.

After graduation from college, he spent the following two years as an officer in the USMC including a year's tour of duty in Korea.

At Roseville he teaches mathematics and is head baseball and assistant football coach.

Justyn Graham and his wife, Nadine, were students at Boulder this summer. Justyn continued with work toward a M. A. Degree in Education. While there, he was initiated into Phi Delta Kappa, which is an honorary educational fraternity. Justyn also enjoyed work in the university band, which was made up of members of most of the 48 states.

Justyn and Nadine are both former students of NWMSC, and are teaching at Atchison, Kansas.

This Is the Limitation . . .

At a recent meeting of the Panhellenic Council, a new plan for rushing was adopted. This plan has been recommended by National Panhellenic Conference as a measure to control the chapter size.

According to National Panhellenic Conference, each College Panhellenic should establish a size sufficiently large for a chapter to function on the campus. It also sets a quota when it considers sufficient for a chapter to maintain itself in a given class and year. This gives all groups the opportunity to become more uniform in size.

Although the adoption of a quota-limitation plan is voluntary, it has been proved satisfactory by the Panhellenic groups that are using it.

This quota-limitation plan will be used for one year on a trial basis by the Alpha Sigma Alpha, Delta Sigma Epsilon, and Sigma Sigma Sigma. If the plan proves to be successful, it will be used again.

Chapter size has been limited to fifty members and a quota has been set at fifteen. Each sorority may send enough bids to keep its size at fifty and the minimum number of bids each sorority may send is fifteen.

In compliance to this plan, the sororities are abiding by these quota and limitation numbers.

Sigma Sigmas

Thirty girls were guests of the Sigma Sigma Sigma sorority at an informal rush party Monday night, September 28. The theme was "Pirates Paradise" and each girl dressed in pirate garb. The party was held at the pond of Mr. and Mrs. James Robinson's farm.

Refreshments of cider and doughnuts were served from a treasure chest. A program was given which included a quartette, Ann McNeill, Bonnie Campbell, Marym Croy, and Lucille Hunziger; a treasure hunt led by Mildred Maxon; and a skit by Sue McCoppin and Dixie Moorehouse. The rest of the evening was spent singing songs.

Guests were Nancy Snidow, Nancy Kariger, Angie Saale, Marilyn Houston, Kathleen Tobin, Patty Boydston, Darlene Stamp, Phyllis Jones, Marcia Wilhoit, Barbara Lamar, Greta Garten, Susie Phipps, Shirley Wilson, Carolyn Curfman.

Jean Ann Ward, Helen Colville, Sally Jackson, Nancy Rainey, Joan Williams, Sherry Grindstaff, Nancy Menefee, Carolyn Baker, Barbara Nixon, Mary Ann Funkhouser, Helen Derby.

Norma Gladstone, Barbara Fox, Marilyn O'Connor, Ruth Tebow, and Barbara Kunzie.

Home Ec Clubs

Colhecon and Kappa Phi Omicron held their annual picnic for freshman home economics majors at the College Park, Wednesday night, September 23. The group enjoyed a wiener roast complete with pickles, potato chips, cokes, and marshmallows. After all the food was consumed there was group singing.

Chaperones for the picnic were Miss Mabel Cook, Miss June Cozine, and Miss Anita Rice.

Faculty, Please!

Faculty pictures are to be taken October 15. Each member is to have his picture taken as a member of his respective division. Division chairmen will be notified of the exact time and place for picture taking.

It is hoped that each division chairman will cooperate fully by contacting the members of his own department as well as the members of the other departments within his division.

Alpha Sigmas

Big plans are being made by the Alpha Sigs concerning Homecoming. With only 14 active members there is plenty for everyone to do in the school-wide activity.

A skit committee, a float committee, and a house decorations committee have been appointed, and preliminary meetings have been held. It seems these petite groups have been more than inspired by the permanent possession of the Supremacy Cup, and this year they seem determined to win again.

Fourteen glowing girls in red jackets settled themselves in assembly last Wednesday, their red jackets making a gay exclamation point in the audience, eagerly awaiting the award of the Supremacy Cup. Their years of work, originality, and much planning paid off.

The Alpha Sigs should give Dean Dorman one great big "thank you." She managed, planned, and presented a very entertaining informal rush party.

During the past summer and early September, many marriages took place. Among them were the following: Wilma Jones, Fairfax, to Roger Wilcoxin, Lamoni, Iowa; Margaret Murray, Albany, to Robert Quinn, Albany; Mary Ann Hawkins, Fairfax, to Roger K. Springfield Next On Green and White Schedule

Meet Saturday Nite At Springfield.

Maryville's Big Green footballers go after victory number two in conference play this week when they journey to Springfield for a Saturday night meeting with the Southwest Missouri Bears.

Victorious over Rolla in their conference opener the Cats will need all the magic and power they possess against a Springfield team that continues to show much improvement since early season losses. Last week the Bears dropped a 27-7 game to Kirksville's Bulldogs, but the score was no indication of the tightness of the contest.

Springfield, with a new coach in Missouri University graduate Bill Dellastations has a wide open offense end by the running and passing of three year veteran Jackie Clingan. Besides running from the "T" the Bears also operate from short punt, single and double wing and the Notre Dame Box systems.

Ralph Colby, Dick Christian, Merrill Rogers and Charlie Ranch all give Clingan plenty of backfield help.

Up front where many games are won and lost the Bears are big and experienced with Ben Koeneman, John Hutton, Charlie Cleland, Gale O'Brien, Carl Dickey, Wally Manning, Bob Jennings and Bob Heck ready for duty. Both Jennings and Heck were rated right at the top in pass catching last season.

Local hopes for a victory lie in the ability of the Bearcats' passing attack to continue at the same pace it showed against Rolla. With Darrell Walker and Ron O'Dell doing the tossing and Don Black, Larry Rowley and Ono Monachino the receiving, the Bearcats probably have the outstanding passing combinations in the conference.

Gil Obregon, Black and Bill Baldwin give the Cats a potent 1-2-3 running attack.

Rolla Fumbles Give 'Cats First Victory Since '42

Capitalizing on Rolla fumbles and defensive misplays, Coach Ryland Milner's Bearcats scored an exciting 12-7 win over their MIAA foe last Friday night at Memorial Stadium, the first Cat win over the Miners since '42.

After a scoreless first quarter, the Bearcats picked up the game's first touchdown after Larry Rowley had recovered a Miner fumble on the visitors' 16 yard line. Five plays later Darrell Walker sneaked over from the one yard stripe. Walker's attempted conversion was wide.

Rolla struck right back on a 59 yard pass play from Phil Hampel to Val Gribble two plays after the kickoff. Bill Rosemerman sent the Miners ahead with a perfect conversion, 7 to 6.

Maryville scored the evening's final touchdown just 30 seconds before the half ended when Gil Obregon crashed over from the three yard line climaxing a 70 yard march. Harold Greaves' attempted conversion via drop kick was low. Maryville left the field for half time intermission with a 12-7 lead.

In the third and fourth quarter the Bearcats staved off three Rolla scoring threats that might have made the game a rout. Twice the Green and White footballers stopped the Miners inside the 10 yard line and finally broke up a Rolla passing attack in the remaining minutes of play.

Brilliant defensive work by Carl Leffingwell, Don Palmer, Ernie Hutchings, Jim Gillett, Larry Rowley and Bob Dillon prevented the Miners from scoring in the second half. Gil Obregon, who was playing with a slightly wrenched neck came through with some fine offensive work and kept the visiting linemen busy all evening with his hard slants off the tackles.
